In December 2012, the Hilliard community lost one of its brightest and strongest student/athlete supporters, Will Ernst. In 1973, Will took a job with Hilliard City Schools where he remained as a teacher, coach, administrator and athletic director for 26 years. With his passing, the Ernst family asked that donations be made in Will's honor to the Athletic Boosters to be used to assist student athletes in their athletic and academic pursuits. He was a strong believer in supporting the student athlete not only on the court, but also in the classroom.

If you would like to make a donation to this fund, please notate that as such on the attached membership form.

Help keep our athletics strong and our children involved and part of something that lasts a lifetime!
