Hilliard Davidson Athletic Boosters:

Hilliard Davidson Athletic Boosters thanks the Sports Program advertisers for making our printed sports programs possible.

The purpose of athletic boosters is to bring meaningful awards and recognition to our hard working student athletes, and to supplement the needs of Hilliard Davidson teams.

Boosters hold community fundraising projects, so Hilliard City School District revenues are not used to fund publications, awards, and special athletic projects.

We would encourage you to join the Hilliard Davidson Athletic Boosters in their work, and patronize our community Sports Program advertisers.

Thank you !

Hilliard Davidson Athletic Department:

The Hilliard Davidson Athletic Department would like to thank the following merchants for their support of our press box and gate workers:

Flyer's Pizza

Chick-Fil-A

Texas Roadhouse

Submarine House

Please patronize their establishments to show your appreciation.

Hilliard Davidson Strength and Conditioning Facility

Fans if you would please focus your attention on the new strength and conditioning facility at the south end of the stadium directly behind the band.

We want to give everyone in our community a quick update on the progress so far with our new strength and conditioning facility. Our amazing community of supporters raised over \$150,000 towards this project! Framing is complete and the high impact drywall has been delivered! Electric is being worked on and we are awaiting city inspections! Painting of the beams has happened and it is really starting to look like a **Wildcat Workout Facility!!**

The progress is amazing and we cannot thank the volunteers and companies who are donating time, labor and materials for this project. A special thank you to Contract Lighting, Mid-City Electric, Sherwin Williams, Lowes and Compass Construction!

We are almost there, but we still need your support. We need just \$20,000 more to finish the outside of the building and install gas and heating units. We know our Davidson Family supports this project and everyone wants to see it through. You can [donate online here](#), or by going to www.locallevelvents.com and searching for the Hilliard Davidson Strength and Conditioning Facility.
